

Christmas Carolling

Live Christmas carollers create the perfect atmosphere for the Christmas season.

We provide talented and professional carollers, from a quartet right through to a choir of 20 members.

All of our carollers are beautifully costumed. Choose from traditional red/white carolling robe, ice-blue/white robe, or our junior members in stunning Angel costumes, complete with gold-tipped wings and halos.

Our carollers will rove your centre, or perform in pre-selected areas. Bookings can be made for 2 or 3 hour sessions.
